

# Epigraphy.info Workshop II

Zadar, December 14 – 16 2018

## Programme

**Registration of participants:** Friday, December 14 - afternoon 14:00 - 15:00

**Friday, 14th December 2018 – afternoon 15:00 – 18:00**

### Opening Greetings

**I. Demonstration of newly developed editors** which could serve for epigraphy.info (chair: E. Mylonas):

- Petrae/Patrimonium (V. Razanajao)
- Perseids/Syriaca (video presentation Z. Fletcher)
- Brill editor (E. Suyver)
- Networked epigraphic applications (P. Liuzzo)

*Coffee Break* – 16:20 - 16:35

- READ editor (L. Calvelli / S. White )
- TEI-Publisher / Ceteicean / CapiTainS (P. Liuzzo)

followed by a **discussion** (both regarding the presented editors/applications and models of exchanges in practice, and decision about functional requirements of an epigraphy.info editor)

*Dinner Buffet* – 18:00 (provided by the organisers)

**Saturday, 15th December 2018 – morning 09:00 - 13:00**

**II. Plenary Session** (chair: J. Cowey)

1.) Allied project reports (10 minutes each)

- Oxford meeting (T. Elliott)
- GODOT (F. Grieshaber)
- Trismegistos corpusdata + New Trismegistos API (T. Gheldof)
- LatinNow (video presentation A. Mullen)
- EPNet (J. M. Bermúdez)
- Comparative Digital Epigraphy and EDAK (P. Liuzzo / F. Weise)
- CRMepi CRMtext (video presentation F. Murano / A. Felicetti)

*Coffee break* – 10:30-10:45

2.) "state of data & discipline": what's already done and who is doing it? (F. Feraudi-Gruénais)

3.) Decisions about how to formalise

- what is the mission of the epigraphy.info group?

- editorial board & workflow of submission and finalization
- how best to organize the committees memberships, roles and responsibilities
- the relation of these committees to IDEA and AIEGL

*Lunch break – 13:00 - 14:00 (provided by the organisers)*

**Saturday, 15th December 2018 – afternoon 14:00 - 18:00**

**III. Breakout Sessions - block 1 14:00 – 15:30**

- 1.) Testing of editors that have been presented during the Friday afternoon session and / or setting up of own apps with own texts (N.N.)
- 2.) Roundtable discussion: new issues, ideas, concerns, and requests for explanation (N.N.)

**IV. Breakout Sessions - block 2 14:00 – 15:30**

- 1.) Technical solution for bibliographical questions and unique identifier for inscriptions (T. Gheldof)
- 2.) Common work on the EAGLE Execution Techniques Vocabulary (S. Evangelisti / P. Liuzzo)

*Coffee break – 15:30-16:00*

**V. Varia - Plenary Session (chair: T. Elliott) 16:00 - 18.00**

- 1.) Results of the breakout sessions
- 2.) Integration of Greek inscriptions (final decision)
- 3.) a) Concept & structure of epigraphy.info (final decision)  
b) Global search (decision about functional requirements)
- 4.) Integration of *instrumentum domesticum* / portable supports
- 5.) Strategic and legal questions in dealing in epigraphy.info with unpublished inscriptions, ensuring that the publication privileges are respected (also including those on the black market and other ethical issues)
- 6.) Possibilities for financing and institutional anchoring (discussion & deciding on further actions)

**Sunday, 16th December 2018 – morning 09:30 - 12:30**

**VI. Results - Plenary Session (chair: A. Kurilić)**

- 1.) General discussion
- 2.) Conclusions
- 3.) Choosing the venue and specific date of the next workshop; choosing members of new committee
- 4.) "what to do next?"

*Lunch Buffet (provided by the organisers)*
